Blessing of the Animals

Friday, October 2nd at 8am. Brother Keith Warner, a Franciscan brother and teacher at Santa Clara University, will be celebrating the morning with us.

This is the only day that animals are allowed on campus, so come one and all! If you can't bring your pet (the size of a large dog or smaller, only), bring a picture (with your name on the back) of the animal to be blessed. The animals will be blessed at 8:00 AM. After the blessing, all the **animals must go home immediately** because we will start class right after the blessing is finished. **All animals must be on leashes or in carriers.**
