Dear Parents of the Kindergarten Class of 2009-2010,

All the celebrations are over, the class of 2008-2009 has just left with their parents. It was an awesome year, my first year at Good Shepherd School. I am very enchanted with the community here and I am already looking to August with energy and excitement.

I wish you all a most wonderful summer. Please don't worry about kindergarten, it is my most favorite thing and I will guide you through! It is a magical year for parents and students alike. Your children have all been assessed and our staff is confident that they are up for the task! We will learn and play and will become one big family.

*"You're off to great places!  
You're off and away!  
Your mountain is waiting, so get on your way!"

I hope you will all take advantage of our public libraries (with dwindling hours I'm afraid). Reading to your child each day is the most important thing you can do for preparing them for the academics that they have ahead of them. Cuddle up and enjoy many wonderful books!

Keep safe. I am looking forward to meeting all of you in late August.

Sincerely, Elizabeth Weber
