

## Primary Spanish K-4<sup>th</sup>

It has been an absolute joy teaching Spanish Kindergarten through fourth grade! All classes have learned about Salvadoran Independence Day on the fifteenth of September and Mexican Independence Day on the sixteenth of September. Students also learned a Guardian Angel prayer in honor of the Feast Day of the Guardian Angels. They have learned a story about St. Francis, the rich vocabulary around this story and pet vocabulary in general. Third and Fourth grades are engaging in partnered oral dialogues.

Fourth grade is also learning to read and write in Spanish. Their comprehension has been impressive! They are currently learning vocabulary and songs about Halloween and will be preparing for El Dia de los Muertos soon. All families are invited to send a framed copy of a loved one who has passed away to be placed on a special altar the first week of November. A big thank you to all families who have sent in their permission slips to share in traditional Day of the Dead bread and Mexican chocolate! If anyone has not done so already please get them in by this month (October).
