

KINDERGARTEN DECEMBER 2009 NEWSLETTER

DEAR "K" PARENTS,

Lisa Vokos and I are wishing that we had another week before Christmas break because we have so many projects we like to do! Thank goodness for all of you that help us prep the craft projects. We couldn't do it without you!

The children are busy practicing the lyrics to the songs they will be singing at the Winter Concert as well as rehearsing how to walk onto and exit the stage, etc. Very Cute! We will be sending some lyric sheets home, please help your student memorize them.

The main theme for these three weeks will be "Winter Holidays". Along with learning the story of the Christ Child's birth, we will learn a bit about Hanukkah, Kwanzaa, and New Year's celebrations. Let me know if you would like to share anything about any of these holidays. Last month Dominique, Logan's mother, came to share a Thanksgiving story with us. Logan's great, great, great, great, great, great, great, great, great grandfather came over on the Mayflower!! If you have a story or project you'd like to share with the K's ... be our guest!

Kindergarten Lunch: We're sorry, we can't microwave food for your child. Please purchase a wide-mouthed thermos and send hot food to school with them. Also, please make sure that your child is clear on when they do or don't have school hot lunch. One more thing, there is a school policy that

candy is not allowed in lunches. Thanks for your support.

If you are having any issues with homework, please let me know. Once again, this should be a positive experience for all. If it isn't, let's talk ...

Future plans: I have field trips planned in February and March to Seymour Marine Lab and Santa Cruz County Natural History Museum. If you would like to plan ahead on driving for these trips, the dates are February 16 and March 26.

Have a happy and healthy month!
Mrs. Weber
