

June 2009

Dear Parents and Students:

All the forms you need for the 2009-10 Good Shepherd Catholic School sports season are in this file. And, unlike years past, you no longer have to print out the forms, fill in the blanks and mail them to school. **Now we have the ability to fill out the forms online and email them to school.** Everything with a click of a button or a keystroke. By emailing them to school, you will retain a copy in your Sent Folder; you may also save the forms to your computer from your Sent Folder. If you have any questions, please [email](#) Coach Greg.

Our annual Sports Awards Night has grown into a look-forward-to event for the Good Shepherd community. I am looking for families/businesses who might be interested in sponsoring parts of our Sports Awards Night program in exchange for recognition on the cover of the program so that we can continue to put on a first-class production for our children. If you're interested in helping, please contact Coach Greg at 476-1292. Thank you.

- **Good Shepherd Interscholastic Participation/Family Information forms** Please fill out the forms in their entirety. Check all forms. Students may participate in multiple sports in the same season. If you decide at a later date that your child is not going to participate in a sport, a withdrawal form, found on our website, must be submitted in prior to the first game your child plays. There will be no refunds for a child who plays in any games, nor will there be any refund until the uniform is returned.
- **Parent Participation Volunteer form** Parent support is important not only to the school but also for your child. *Assisting at games* is a great way to watch your child in action and earn Parent Service Hours. Parental help is needed for football (down marker), basketball (scorebook, scoreboard), volleyball (lines, scoresheet, scoreboard), track (long jump pit) and golf (group supervisor). A Team Parent is needed for each of our sports teams to help with such things as the coordinating of the aforementioned parental help.
- **Athletic Uniform Contract form/Uniform size form** This form is provided to you at the start of the season for all sports. Check the sports your child will be playing and select uniform sizes. Students are required to sign for their uniforms upon issuance so that it is recorded that they have taken possession of a uniform. The only exception is golf, for which students will wear their school uniform polo shirts and khaki/blue long/short pants. Some sports share uniforms, such as cross-country and track, and flag football, soccer and boys volleyball. If you are doing at least two sports that use the same uniform, keep the uniform and use it for all the sports.
- **Team Photo Days** Use this form to order photos from the October, November, February and March Team Photo Days (there are five this year). Use one form for multiple sports. Please make notations wherever necessary. If you decide at a later date that you want to cancel your order, a Cancellation Form must be submitted.

Should you need to make amendments to a form once it is turned in, please resubmit your original form(s) with the change(s) noted or submit a new form. This packet and individual forms are also available on the Internet at [the school web site](#). Please contact Athletics Director [Greg Lathrop](#) at 476-1292 if you have any questions.
