

First Grade Homework
March 1, 2009

Monday	Spelling Unit 26	Write each word 2 times each including bonus words: subtract, difference, number The bees are in the hive.
Tuesday	Contractions	Circle contractions that are made from each pair of words on page 93.
Wednesday	Religion	Do one (or more) good deed(s) this week. Write your name and your good deed on the form. You will read them to the class on Friday. One student said they made dinner for their family. Wow!
Thursday	Math	Write 2 word problems on 3 x 5 cards (attached). Put the answer on the back using a number sentence. (Parents please help your child spell the words correctly. The class is going to solve the homework problems on Friday.) e.g., There are 11 children. 7 children jump into the pool. How many children do not jump in? (on the back write $11-7=6$)
Every Night	Reading List Math	See your purple folder. Practice Math facts. Make flash cards for facts from the "Math Minutes". Our ultimate goal is to memorize and + & - facts to 20 by the end of first grade. Homework Book pages 157-162

Starting this week we will be having one sentence on the spelling test. I will give you the sentence to practice. Students will need to write it correctly remembering the punctuation, and capital letters.

Report cards come home on Friday. Remember this is a "snap shot in time" and at this age scores change daily.
