

Homework Newsletter
September 9th- September 11th 2009

Dear second grade parents:

Our class has embraced the new 2nd grade routine and is full speed ahead. I have seen such impressive acts of kindness within the classroom.

Since this week will be a short week I will only be assigning a few math pages and a Reading Response. Please have your child practice reading their responses to you so they will be confident for Friday oral presentations.

- Please have your child complete Math Book pages:
 - Wednesday: Hands On: Make a Tally pg 11
 - Thursday: Compare data in Tables pg 13

Extra practice/challenge work pgs: 8, 10, 12

- Complete a Reader Response. If your child is reading chapter books that take longer than a week to read then they should make note of which chapters they will be focusing on in this week's Reader Response. Your child will be giving oral presentations based on their Reader Responses each Friday so please have them practice reading it out loud to you.
 - * **Please help your child choose a book for this assignment that allows them to read at least 20 minutes per night.**
- NO SPELLING LISTS ON SHORT WEEKS---- HOORAY!

Do not forget to send your child to school dressed in Good Shepherd's P.E. attire on Wednesday for P.E. class.

Please do not have your child turn in the homework packets early. They need to do a little bit of work each night and turn it in every Friday. I welcome any feedback you may have about the course load the students take home with them each week.

Have a great week:
Ms. Mazzei

Here are some fun websites your child can get some extra learning in:

- www.freerice.com
