Parent Notes:

On Friday we will have our first field trip to Oak Tree Villa. We will be leaving campus at 9:15. Please wear your costume to school. Please read the costume regulation sheet sent along with the Ram on Tuesday.

For science we have started several experiments involving plants. We have planted radish and pea seeds to observe the effect of light on plant growth. We have also placed celery in a cup of food coloring to watch the vascular bundle absorb the coloring.

For language arts we are continuing to learn the letter format. We received student dictionaries from the Elks Lodge. We wrote letters of appreciation to thank them for their generosity. We read the story The Gardener (the entire book is written in letter format.)

Thank you,
Jennifer Tschirky
